**Membership:**

Subscription to the current-year ACADIA Proceedings and to the CUMINCAD publication database is on a calendar-year membership basis. Subscribers are encouraged to join or renew early to get the maximum benefit. Membership benefits include:

- a reduced registration fee for one participant at the annual **ACADIA Conference**.
- a copy of the **ACADIA Proceedings**, distributed after the annual Conference (usually in October).
- online access to 7000+ fully-referenced records of research papers archived in the **CUMINCAD database**. Many of the records include the full paper text, downloadable in PDF format. Libraries can register up to 3 IP-address ranges (e.g. 123.45.\*.\*) for workstation access. Moreover, they can use authentication software and virtual networking solutions such as VPN or EZ-Proxy to authenticate patrons for access from workstations outside the designated IP ranges.
